Subject: Thank You!

Hi Debbie,

I just wanted to thank you for a great year! I really couldn't be happier with Premier Academy – our kids are happy, they are learning so much, the administration is great at communicating with us, the school is beautiful and the teachers are extraordinary. You really have done a great job of building a sense of community too! I know the other families I have become friendly with are also very happy!

The kids (and I) will miss you all this summer. Matt was very sad at graduation – but, onto bigger and better things right?

When Claire comes back in the fall, she will be 2 ½ (3 in December). I heard that you're thinking of putting together a 2 ½ - 3 room. I think this would be fantastic. I also would love to put my "plea" in to have Laina and Angela move up with the kids. I know any of your teachers will do a great job – but, if there's any way to have Laina and Angela with Claire, I would love it!

Hope all is well with you!

Amy
